

FOUNDERS SOCIETY

The Founders Society was created to recognize individuals who have included Concordia College or Concordia Language Villages as a charitable beneficiary of a future gift. Every person who has made a future commitment to Concordia in their estate is eligible for membership in the Founders Society. These commitments may be in the form of irrevocable or revocable deferred gifts.

The Founders Society provides an opportunity to celebrate, thank and acknowledge individuals who are committed to Concordia's mission and have made provisions for future generations. The Founders Society honors the incredible impact for tomorrow that comes from thoughtful planning today.

In recognition of the commitment, new Founders Society members receive a Founders Society lapel pin. Those who include Concordia as a future beneficiary of \$50,000 or more will also receive the print "Sent Forth" by David Hetland '69.
